

Senior Training Fellowship

1. Name: Dr Jacob Peedicayil
2. Department: Pharmacology and Clinical Pharmacology
3. Year of STF: 2017
4. Objectives stated in the application for STF:

To learn laboratory techniques in epigenetics in the Department of Psychiatry, University of Illinois at Chicago. The Department of Psychiatry there has got a very good epigenetics laboratory.

5. Center visited for STF & Mentor:

Dr Dennis R Grayson
Department of Psychiatry
University of Illinois at Chicago
Chicago,
USA

6. Short description of training:

1. Observed laboratory techniques in psychiatric epigenetics
2. Had lot of discussions on practical and theoretical aspects of psychiatric epigenetics with the the staff and students of Department of Psychiatry, University of Illinois at Chicago.
3. Gave a lecture on "The Role of Epigenetics in Psychiatric Disorders" at the Department of Psychiatry, University of Illinois at Chicago, on Monday, 31 July 2017.

7. Plans to implement objectives on return to CMC:

We are hoping and planning to start a pharmacoepigenetics laboratory in our department. The experience I gained in University of Illinois at Chicago will help us in that direction.

Date: 5 September 2017

Signature:

A handwritten signature in blue ink, appearing to read "Jacob P." with a stylized flourish at the end.
