Special Training

Fellowship of the Arbeitsgemeinschaft für Osteosynthesfragen (AO/ASIF), Celle, Germany under Prof: Hans Jorg Oestern 1997. Visited several times thereafter.

Prof. H-J Oestern (now retired) established and headed a 100 bed trauma unit, and is a recognized authority on polytrauma, and injuries of the musculo-skeletal system. He devised the classification of soft-tissue injuries. He has made many contributions to the management of the severely injured. My training in his unit was instrumental in upgrading the trauma unit at the Railway Hospital, Perambur.

Institutional Ethics Committees

Chairperson, IEC, Christian Medical College, Vellore 2008 to June 2022. I stepped down after joining the institution.

Chairperson, IEC, Indian Institute of Technology Madras, Chennai 2018 - present

Editor, Indian Journal of Medical Ethics, 2003 -2011
